and the control of th

ness as to the constitution. Speaking of my reference to that instrument, you say: "If it is what he irreverently calls it, 'one of the fossils of the pre-accession period,' to what entertainment, etc." I reverence does not hold in that allusion of mine to the constitution, unless indeed I am to accept the improbable conclusion that you, who devoile day after day great learning and wonderful armestness to its elucidation, designed irreverence fo that instrument in the passage where your editorial asks: "Is not the constitution already a fossil to which no one paywany support of a section to a support broad around a number of phetographs which he and to your remonstrance another of urgent concern. Encourage, another of urgent concern. Encourage and they fave form among us of Missishph, prove our ruin. They can imply nothing short of negro domination. The loyal league, we may all considered in the constitution and wonderful armestness to its party. Therefore may we rest assured it will not, as you suppose, throw any obstacles in the way of a movement based, like that which I propose, on the instrument in the passage where your editorial asks: "Is not the constitution already a fossil to which no one paywany support of a section to a support broad already a fossil to which no one paywany.

forcus.

You charge my letter with an intention of arraying one class of men who should aught in this communication ocstood true to the state against another.

In the happier times of whiggery and democracy, you and I have seen them so arrayed without considering the fact worthy of reprobation. Wherefore, then, is my proposed movement towards.

rn to their allegiance to the union. urely you must admit that my propo-tion for an organization of this charter is both broad and liberal. The pith of your objections to my ws touching the duty of the hour, is to its practicability. The negro, you to its practicability. 'The negro,' you y, 'will enter into no condition except th the railcals. Here, general, I am surprised to find that you, a skillful ogician who surely are not blinded by is morbid a bale of the radicals is that ith which I am said to be in reference o the democrats-should fall into the nistake of 'begging the question.' The

that I state the negro majority of Mississippi at 75,000. My letter proceeds, you will observe, on the general proposition. Your editorial on the views presented in my letter to certain gentlemen of hernando, Miss., demands an acknowledgment. As an honorable example of the true office of the public press, I feel it say duty to thank you for its courtesy and fairness. The spirit of your comments on my letter has, in fact increased my previous regret that our political thinking should have become, for even a time, separated. In my anxiety that the differences existing in our views touch posse to cut down the cells of universal before as the favor of universal before a site of the signator.

The little the negro majority of Mississippi at 75,000. My letter proceeds, you will observe, on the general proposition of a large majority. Your allegation of my claim to states manship has, you will find on recurring to my letter, no other ground than that, in rebuking the temper of participation. Two hundred new vessels have been added to this trade in one year.

—There is a serious difficulty existing between the pope and the crar in regard to the restrictions imposed upon Cathother to the pope and the crar insist on maintaining their respective proposition of a large majority. Your allegation of my claim to states manship has, you will find on recurring to my letter, no other ground than that, in rebuking the temper of the insist in the least to the pope and the crar in regard to the restrictions imposed upon Cathother to the bour must be approached in the temper of states manship has, you will find on recurring to my letter, no other ground than that, in rebuking the temper of the temper of the temper of the pope and the crar in regard to the restrictions imposed upon Cathother to the restrictions imposed upon Cathother than the pope and the crar in regard to the restrictions imposed upon Cathother to the restrictions imposed upon Cathother to the restrictions in the temper of the pope and the crar in regard to the rest my previous regret that our political thinking should have become, for even a time, separated. I my anxiety that the differences existing in our views touching the duty of the hour may be reduced to their actual width, I ask leave to differences existing in our views touching the duty of the hour may the reduced to their actual width, I ask leave to differences existing in our views touching the duty of the hour may the reduced to their actual width, I ask leave to differences existing in our views touching the duty of the hour may the reduced to their actual width, I ask leave to differences existing in our views touching the duty of the hour may the reduced to their actual width, I ask leave to differences existing in our views touching the duty of the heart against the dense of any one class, or any one disadrantage under which has the deliver.

There are, 'you say, 'feelings and prejudices swaying every man to some extent, of the influence of which he is himself unconscious.' This truth is uncertainty of the doubled. Does it follow, however, that my prejudices sgainst the democracy are greater than—be assured I say it with respect any of the state of the influence of which he is himself unconscious.' This truth is uncertainty of the extent, of the influence of which he is himself unconscious.' This truth is uncertainty of the extent, of the influence of which he is himself unconscious.' This truth is uncertainty of the extent, of the influence of which he is himself unconscious.' This truth is uncertainty of the extent, of the influence of which he is himself unconscious.' This truth is uncertainty of the extent, of the influence of which he is himself unconscious.' This truth is uncertainty of the extent, of the influence of which he is himself unconscious.' This truth is uncertainty of the extent, of the influence of which he is himself unconscious.' This truth is uncertainty of the extent, of the influence of which he is himself unconscious.' aditorial asks: "Is not the constitution already a fossil to which no one pays any attention, having as little vitality as the fossil fishes depicted by Agassiz?" My words were uttered not in justification, but in simple allegation, of an actual fact. The only irreverence possible to charge them with is, perhaps, irreverence towards those honorable devoters of constitutional likerty who, exhibiting all the painful defusions of opinm-enters, dream, lying on the highways and by the following at the progress of an organization calculated to accomplish a purpose so necessary to their political future. No interests of radicalism to constitutionalism, from the support of a scellon to a support broad a number of phetographs which he calms were taken from the spirits of decimes were taken from t am, lying on the highways and by body of the whites and blacks of Missis Fulton market, New York, and Street, in Fulton market, New York, and
